

HB 1971 -- Annexation

Sponsor: Schneider

This bill specifies that a petition requesting a voluntary annexation only needs to be notarized instead of verified. Any action to invalidate a previous annexation must be brought within three years of the date of the adoption of the annexation ordinance except for an action to deannex an area for failure of the annexing municipality to provide required services to the area within three years which must be brought within four years from the effective date of the annexation.
